About Us

We are one of the largest factories of flooring and cladding in Brazil certified in the Quality Management System by the ABNT NBR ISO 9001/2015 standard, and in the product, by the ABNT NBR ISO 13006/2020 standard and Inmetro Ordinance No. 412/2014 and No. 286 /2021 through the CCB, an agency accredited by the General Coordination of Accreditation of Inmetro, which attests to its compliance.

Founded in 1990 and located in Maracanaú - Ceará, it currently has a production capacity of more than 40,000,000m²/year, through a fully automated manufacturing process, with state-of-the-art Italian technology.

Our presence in Brazil and in more than 30 countries consolidates a brand that for 3 decades has focused on customer satisfaction, always offering the most modern solutions in our segment. All this, combined with respect for employees, partners and self-sustainable growth, making CERBRAS a reference in the Brazilian and worldwide ceramic market.

Acerca de Nosotros

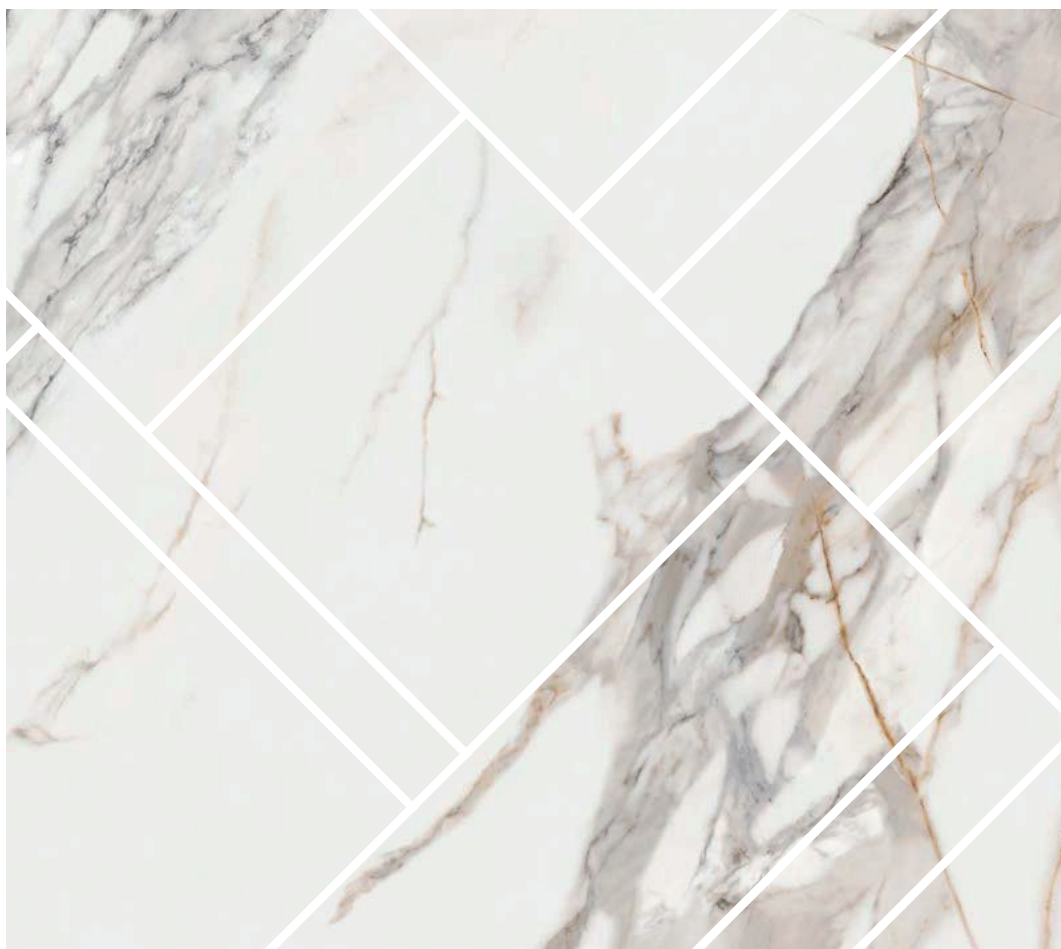

Somos una de las mayores fábricas de pisos y revestimientos de Brasil certificada en el Sistema de Gestión de Calidad por la norma ABNT NBR ISO 9001/2015, y en el producto, por la norma ABNT NBR ISO 13006/2020 y la Ordenanza Inmetro no. 412/2014 y no. 286/2021 a través del CCB, organismo acreditado por la Coordinación General de Acreditación del Inmetro, lo que certifica su cumplimiento.

Fundada en 1990 e instalada en Maracanaú - Ceará, actualmente tiene una capacidad de producción de más de 40.000.000 m²/año, a través de un proceso fabril totalmente automatizado, con tecnología italiana de última generación.

Nuestra presencia en Brasil y en más de 30 países consolida una marca que desde hace 3 décadas se enfoca en la satisfacción de los clientes, ofreciendo siempre lo que hay de más moderno en nuestro segmento. Todo eso, combinado con el respeto por los colaboradores, los aliados y el crecimiento autosostenible, hacen que CERBRAS sea una referencia en el mercado cerámico brasileño y mundial.

DESIGN AND SHADE VARIATION

VARIACIÓN DE DISEÑO Y TONO

- V1**  **MINIMUM VARIATION | VARIACIÓN MÍNIMA:**
Minimum variation in shade and design between tiles. | Variación mínima de tonalidad y diseño entre las piezas.
- V2**  **SLIGHT VARIATION | VARIACIÓN LIGERA:**
Slight variation in shade and design between tiles. | Ligera variación mínima de tonalidad y diseño entre las piezas.
- V3**  **MODERATE VARIATION | VARIACIÓN MODERADA:**
Shade can vary considerably from tile to tile. In this way, one tile may not be the same as the other. In any case, the colors present in one tile are present in all the others. | La tonalidad puede variar considerablemente de una pieza a otra. De esta forma, una pieza puede no ser igual a la otra. De todos modos, los colores presentes en una única pieza están presentes en todas las demás.
- V4**  **HIGH VARIATION | VARIACIÓN ALTA:**
The same product has completely different tile colors, which after laid create a unique effect. Un mismo producto tiene una diferencia de color total entre las piezas, que después de ser asentado crea un efecto único.

SLIP RESISTANCE

RESISTENCIA AL DESLIZAMIENTO

- RD1**  Designed for covered, indoor areas with no accumulation of water. Recomendado para ambientes interiores cubiertos donde no hay formación de láminas de agua.
- RD2**  Designed for covered, indoor areas with possible accumulation of water. Recomendado para ambientes interiores cubiertos donde hay posibilidad de formación de láminas de agua.
